Dear Sean,

Thank you for your generosity and support towards the 2014 Easter Seals Woman2Warrior event that took place on May 25, 2014. Your donation helps Easter Seals support hundreds of children with disabilities from all over the province each year. Giving children with disabilities self-esteem, self-confidence, and a sense of independence is what we are all about. For the kids that attend Easter Seals Camps, it is not just a "camp", it is a place for fun, inclusiveness, achieving goals, and respite.

Your gift will directly fund three Easter Seals Camps in BC and will help send over 800 children with disabilities throughout BC and the Yukon to a weeklong camping experience at one of three Easter Seals accessible camps in the province. Campers are encouraged to try new things, take risks in a safe and supportive environment, but most importantly have fun and be themselves! This in essence mirrors what we want to do with Woman2Warrior, to get women to challenge their own abilities and maximize their potential, and of course have fun.

We are pleased to announce that Woman2Warrior event raised over \$158,220 for Easter Seals Camps, and we can say that it's because of contributions like yours that we are able to make this event a success. We deeply appreciate your support and the powerful impact it has on the kids.

*Thank You* again on behalf of Easter Seals and all the children and their families.

For the kids,
